

Wish List

Krav Maga Equipment

In the continued effort to add more recreational activities to our offerings, we plan to bring Krav Maga to camp for this coming summer. Krav Maga takes little equipment, however punching bags, pads and mats are needed for safety.

Sports Equipment

Soccer nets, soccer balls, footballs, tennis rackets, tennis balls, archery bows and arrows, Frisbees, softball/baseball bats/balls/gloves, hand balls, dodgeballs, water polo balls, or any other type of camp appropriate sporting equipment.

Shade Coverings

We are looking to provide shade for the below locations so that these spaces can be better utilized during the hottest parts of the day.

- Campfire
- Archery Range
- Bleachers
- Pool area

Musical Instruments

Piano, drum set, tambourines, assorted noise makers, other instruments

Siddurim and Song Books

Many of the Shabbat morning siddurim are unusable as they are extremely worn. The song books are also extremely worn and we only have enough for one or two song books per table in the dining hall.

Photo Printer

We would like to take photos of the campers and turn the pictures into postcards that can be sent home to their parents. This would be fun for the children to create and for the parents to receive.

Wheelbarrows

Wheelbarrows are needed for our two gardens.

Lighting for Terry Field

Lighting would allow for night climbing at the wall, night softball games and night field games. Currently the field is very dark and no activities can take place in this large area after the sun goes down.

In Kind Donations

The following items must be purchased every year and cost Alonim a good amount of money. If there was a donor who wanted to purchase these items for us, it would have a tremendous impact on the budget.

- Office Supplies: white Xerox paper, colored Xerox paper, pens, Cds and DVDs, highlighters, notebooks, paper clips
- Cleaning Supplies: Swiffer mops, Clorox wipes, sponges, brooms, dust pans
- Art Supplies: markers, colored pencils, construction paper, tempera paints, yarn, beads, air dry clay, scissors, white glue, glue sticks, masking tape, butcher paper, paint brushes, etc.
- Teva (Nature) Program: tomato, squash, pepper seeds; gardening tools, various camping equipment
